

# **E** THE ENVIRONMENTAL MAGAZINE

**E - The Environmental Magazine** is a bimonthly "clearinghouse" of information, news and resources for people concerned about the environment who want to know "What can I do?" to make a difference.

**E** covers everything environmental--from recycling to rainforests, and from the global village to our own backyards. **E** reports on all the key and emerging issues, always providing contact information so readers can research topics further or get involved in activist efforts.

**E** also follows the activities and campaigns of a broad spectrum of environmental organizations.

**E** is also loaded with practical information on a range of lifestyle topics, including: environmental health issues; food safety; green house & home topics; personal finance "with a green conscience"; consumer product trends; reviews of books, products and services; and eco-travel.
